**07:30 AM to 1 PM**

## **Delicious breakfast ... fresh daily**

We serve fresh good food cooked for you just when you order.

### **NO good food without quality ingredients !**

- Our coffee is local. We get it from a cooperative of farmers in Chiang Mai. We only use Arabica 100%, well roasted (strong taste with no bitterness).
- To preserve its aromas, we buy coffee in small quantities, preserve it in vacuum bags until we need it and grind it just before brewing.
- The coffee machine is Italian (of course). Giving enough pressure to extract aromas perfectly. The water used to brew coffee is filtered 2 times (Brita from Germany).
- We bake our own bread. With rye and whole-wheat flours imported from Australia.
- We only use dated eggs to be sure of freshness. We prepare them any way you want
- We produce our yogurts. Just milk. No sugar, no preservatives added.
- Our jams are home made from beautiful ripe fruits from nearby Klong Toey market. No artificials added.
- Our supplier for bacon, sausages and black pudding is English. The small plant is just outside Bangkok.
